

I'm a crystal body
as clear as my mind
as fragile is this shape
as deep are my thoughts

Crystal body
as clear is my heart
you remove the ambrosia
that i ll never see

ref : i m a crystal body x 2

Watching others breaking
looking for a safe
we're only a little thing
so dive in the universe

Crystal used
but there's only one fuse
do not keep it safe,
and let it blown...

ref : i'm a crystal body x2
